LIVE UNITED

We think every child in every country should have a good education. Every citizen should feel financially stable. Every community should be healthy and strong.

We're not alone. Nearly 2.6 million volunteers and 9.6 million donors around the world are with us. Together, we raise more than \$5 billion every year to create community solutions that improve life for everyone. Together, we impact the lives of up to 50 million people every year.

Our goals are pretty ambitious. But if you join us, we can do it together.
