Our Mission is to Improve Lives in Denton County
2013-2014 was a year of growth and change for United Way of Denton County. Through the generosity of nearly 10,000 donors, United Way of Denton County and our community partners launched new and innovative collective impact efforts. Our move to our new office space at 1314 Teasley Lane in Denton allowed for continued expansion of university internships in ways that greatly increased our impact across the communities of Denton County. Our fundraising efforts grew to over $2.2 million and we collectively improved the lives of 65,218 of our neighbors, co-workers, and friends in Denton County.

Through your support, United Way of Denton County’s Community Investment volunteers recommended an overall increase of 16% to our 20 Partner Agencies to advance the invaluable work they do to help victims and marginalized people among us. For a second year in a row, the Volunteer Income Tax Assistance (VITA) program returned more than $1,000,000 to the pockets of our working poor in Denton County while saving these taxpayers an estimated $147,000 in preparation fees. Together we launched Mentor Denton, a collective impact effort to match volunteer mentors with at-risk children through the help of local non-profits, school districts, public and private partners.

Findings in our Community Needs Assessment reports continued to guide our development of programs and services to meet gaps in our community. In 2013, we published the organization’s first Mental Health Needs Assessment report which found that mental health services in Denton County is one of our greatest needs. In response, a private donor committed funding to form our Denton County Citizen’s Council on Mental Health focused on raising community awareness of mental health issues, advocating for the development of widely available services for those in need and mobilizing increased funding for mental health services in Denton County.

The resources we mobilize to help our neighbors need to grow along with our community. Over 104,000 of our neighbors are “food-insecure.” 1 in 3 (over 35,000) of our children are at-risk of dropping out of school. Nearly half of our community will experience mental health crisis in their lifetime.

When we LIVE UNITED, we come together as a community and mobilize community resources around the areas of EDUCATION, INCOME, and HEALTH. United Way of Denton County is the backbone organization behind collaborative efforts in our community that improve lives across Denton County.

On behalf of our board of directors, lifetime members, and staff, thank you for your support and commitment to improving lives in Denton County.

“When you build up a person, you build up a community.”

According to our Community Needs Assessment, across Denton ISD over 10,000 children are at risk of dropping out of school. United Way of Denton County is the backbone organization behind Mentor Denton, a community collaboration to promote volunteerism through local non-profits. Together with our partner agencies, Denton ISD, the City of Denton and other community partners, our goal is to help every at-risk student stay on track to graduate into a career or college.

Bank On Denton County is dedicated to helping local families in four communities keep more of their hard-earned money. We do so through financial education programs and initiatives to reduce community demand for check cashing, payday loans and other costly short-term alternative financial services.

**STAMP OUT HUNGER** FOOD DRIVE
The 22nd annual National Association of Letter Carriers “Stamp Out Hunger” Food Drive brought together local mail carriers, United Way of Denton County volunteers, and Denton residents to raise three week’s worth of food for the Denton Community Food Center.

**FREE FLU VACCINATIONS**
During flu season, children and seniors are at heightened risk of contracting the virus. In fall 2013, United Way of Denton County intern Jagruti Rami worked with Texas Health Presbyterian Hospital of Denton to provide nearly 800 flu vaccinations to our community free of charge through three public vaccination drives.

**INFORMATION & REFERRAL**
Help is just a phone-call away for those in need in our community. United Way of Denton County maintains a Community Services Directory for local service providers. This information to update Denton County information for the Texas 2-1-1 Database, a state-wide information and referral hotline. In addition, we provide a local hotline maintained by staff and volunteers who can find our community the help we need.

**PROJECT BLUEPRINT**
A strong and attentive volunteer board of directors is the most important factor safeguarding charitable non-profit organizations from business malpractice or theft. Through Project Blueprint board leadership training, experienced United Way of Denton County volunteers teach local community members how to serve effectively on volunteer boards, helping local non-profits recruit and retain highly effective board members.

**SANGER ISD IMPACT GRANT**
Economically disadvanaged students in Sanger have few places to turn for help. With the support of United Way of Denton County community impact funding, Sanger ISD provides these children in need with school supplies, new clothes and food for their families on the weekend.

**DENTON ISD SCOUT TROOPS**
Schools in low-income neighborhoods have the fewest resources to spare, and the most barriers to helping their students graduate and become productive, responsible members of society. Through community impact funding from United Way of Denton County, Boy Scouts of America - Longhorn Council is sponsoring new scout troops at five schools in Denton ISD to help students stay on track to graduate.

**PRE-KINDERGARTEN COALITION**
According to our updated Community Needs Assessment, over 8,200 children under the age of 5 live in poverty in Denton County. Our Pre-K Coalition collaborates and forms partnerships between community members and organizations to help these children enter school ready to learn and on par with their more fortunate peers.

**“STAMP OUT HUNGER” FOOD DRIVE**
The 22nd annual National Association of Letter Carriers “Stamp Out Hunger” Food Drive brought together local mail carriers, United Way of Denton County volunteers, and Denton residents to raise three week’s worth of food for the Denton Community Food Center.

**FREE FLU VACCINATIONS**
During flu season, children and seniors are at heightened risk of contracting the virus. In fall 2013, United Way of Denton County intern Jagruti Rami worked with Texas Health Presbyterian Hospital of Denton to provide nearly 800 flu vaccinations to our community free of charge through three public vaccination drives.

**INFORMATION & REFERRAL**
Help is just a phone-call away for those in need in our community. United Way of Denton County maintains a Community Services Directory for local service providers. This information to update Denton County information for the Texas 2-1-1 Database, a state-wide information and referral hotline. In addition, we provide a local hotline maintained by staff and volunteers who can find our community the help we need.

**PROJECT BLUEPRINT**
A strong and attentive volunteer board of directors is the most important factor safeguarding charitable non-profit organizations from business malpractice or theft. Through Project Blueprint board leadership training, experienced United Way of Denton County volunteers teach local community members how to serve effectively on volunteer boards, helping local non-profits recruit and retain highly effective board members.

How we improved lives in our community

1. Donors give generously to our United Way.
2. Volunteers find our community’s greatest needs.
3. Our board invests in our partners and programs.
4. United Way and partner agencies run programs and track results.
5. We improve lives in Denton County.
