

CARROLLTON FIRE RESCUE

April 7, 2020

Carrollton Fire Rescue is looking to our community partners to assist us in obtaining cleaning supplies and some very specific Personal Protective Equipment (PPE) for our first responders.

These supplies will help our firefighters and police officers safely do their jobs during the COVID-19 virus outbreak.

We are specifically looking for:

1. Lysol Disinfectant Spray
2. Purell Professional Surface Disinfectant
3. Clorox Disinfecting Wipes
4. Lysol Disinfecting Wipes
5. Commercial Disinfectant Spray/Solution
6. Hand Sanitizer
7. PDI-Sani Wipes
8. **N95 Respirators**
9. Homemade cloth face coverings
10. Disposable/surgical gowns
11. Large and XL medical exam gloves

If your organization is able to donate any of these items, there will be a drop-off receptacle located in the lobby area of Fire Station 2 in Carrollton (1720 E. Jackson Road). Place any contributions in the receptacle and they will be collected that same day.

We appreciate our community partners in this effort to support our first responders.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gregg Salmi'.

Gregg Salmi
Carrollton Fire Chief
