Our mission is to improve lives in Denton County.
A LETTER FROM THE BOARD CHAIR

It has been a pleasure and an honor to serve as Board Chair of United Way of Denton County for the 2011-2012 year. We enjoyed many opportunities for growth this year, including hiring a new President and CEO, Mr. Gary Henderson. We also completed a thorough Community Assets and Needs Assessment which highlighted the areas of most urgent needs in the areas of education, income, and health in our community. Most recently, we created and approved a strategic plan that will direct our success well into the future.

In 2011, United Way of Denton County volunteers, partner agencies and local companies worked together to provide more than $2 million worth of financial and human resources to our neighbors in need. Our direct-service programs provided more than 19,000 pounds of food to hungry families in Denton County and returned more than half a million dollars to the local economy in the form of free tax preparation services and returns.

United Way of Denton County’s partner agencies as well as several direct service programs facilitated by volunteers were able to provide critical assistance to those who needed it most. Because of your generosity, more than 100,000 lives were changed for the better last year alone!

Please take a few moments to look over this annual report and familiarize yourself with all of the wonderful, meaningful work being done in your community through United Way of Denton County.

I would like to personally thank each of you, whether you bought a cookie at a bake sale, enrolled in a payroll deduction program, contributed to a Pillars Club level, made the decision to give a corporate gift, advocated on behalf of United Way of Denton County among your friends and colleagues, or gave of your time as a volunteer. Your collective efforts and generosity are valued and appreciated.

Sincerely,

Caleb O’Rea
Chair, United Way of Denton County Board of Directors 2011-2012
Chief Executive Officer, Denton Regional Medical Center

A LETTER FROM THE PRESIDENT/CEO

These are challenging and exciting times for United Way of Denton County! Our recent Community Assets and Needs Assessment revealed that the needs across Denton County have never been greater. There are more than 35,000 children across Denton County that are at risk of dropping out of school according to the Texas Education Agency. There are 90,000 people in Denton County that do not have enough food according to the North Texas Food Bank.

To achieve our mission of improving lives in Denton County, we need our community to get involved at unprecedented levels. Businesses and community organizations must find ways to collaborate in non-traditional ways if we are to help our neighbors in need. United Way of Denton County will serve a vital role in mobilizing and connecting community resources to those most in need.

Since 1951, United Way of Denton County has been a catalyst for change, advancing the common good. In the last few years we have seen the impact of economic challenges on our donors and on our non-profit partner agencies. History has shown us that when we clearly communicate the need, our community gives, and gives generously.

Thank you for generously giving your time and resources to help accomplish life changing work in our community through United Way of Denton County.

Sincerely,

Gary Henderson
President & CEO, United Way of Denton County
**2011 ASSETS & NEEDS ASSESSMENT**

### EDUCATION

Percentage of adults 25+ years with no high school diploma impacting employee hiring: (2010 US Census)

A LETTER FROM THE CAMPAIGN CHAIR

It was a great honor for me to be the 2011-2012 Campaign Chair for United Way of Denton County.

I enjoyed working with our campaign volunteers and want to thank them for the time and effort they put into the campaign. Many of these dedicated individuals volunteer year after year for United Way of Denton County. I respect and appreciate their commitment to improving our community. I ask you to give this next year’s volunteers your complete support.

I would also like to thank the United Way staff for their hard work. They often work in the background supporting our volunteers and donors. We would not be able to accomplish all we do without them.

Sincerely,

Rob Seay

STATE EMPLOYEE CHARITABLE CAMPAIGN

United Way of Denton County was authorized as the Local Campaign Manager for the SECC Area #28. Fundraising is limited to the higher education and state agencies in a five-county area which includes Cooke, Denton, Fannin, Grayson, and Montague counties. All donations are designated to specific agencies. United Way of Denton County and our partner agencies received approximately 45% of the SECC dollars raised in these five counties. These dollars are reflected in the overall UWDC Campaign.

ADVOCATE

On Tuesday, March 8, 2011, Jodi Ramon and Gary Henderson walked the halls of the Texas Capitol, joining United Ways across Texas, meeting with our Denton County state legislators and asking them to support and encourage actions critical to improving lives in Denton County.

Protect funding for proven dropout prevention services, affecting 1,100 at-risk students in Denton County.
Maintain federal and state funding for the Volunteer Income Tax Assistance (VITA) Grant that supports a vital program UWDC leads.
Protect state funding for domestic violence intervention programs such as the work done by Children’s Advocacy Center Denton County and Denton County Friends of the Family.

Mrs. Ramon and Mr. Henderson met and spoke with staff members from the offices of Senators Chris Harris, Jane Nelson, and Craig Estes as well as Representatives Tan Parker and Myra Crownover.

In the coming year, volunteers and staff at United Way of Denton County hope to collaborate with partner agencies and community members to create several points of interest for the legislative agenda of the Denton Chamber of Commerce. This county-wide agenda will be presented to members of the Texas legislature on Denton County Day at the State Capitol.

Reaching out to our state representatives via letter, phone, or e-mail and advocating for the common good is an effective way for local citizens to improve lives in Denton County.
UNITED WAY of Denton County’s VITA program provides free tax preparation for low to moderate income families and individuals who earn less than $50,000 annually. This helps many qualified Denton County residents receive thousands of dollars through Earned Income Tax Credit (EITC) and Child Tax Credits. In 2012, the VITA program operated for 80.5 hours and offered the services of 1 staff member and 32 volunteers in both Denton and Little Elm.

In the course of five years, the VITA program has steadily grown into a cornerstone of United Way of Denton County’s programs.

UNITED WAY of Denton County’s Project Blueprint: Board Leadership Program prepares community volunteers to become board members for non-profit organizations throughout Denton County. The program covers governance, board and agency relations, operations, finances, fundraising, and marketing strategies. In 2011, United Way of Denton County graduated thirteen current and future non-profit board members from Project Blueprint.

VITA Volunteers!
ADULT ESL

In response to a recent study showing that English-speaking households earned more money than non-English-speaking households in America, United Way of Denton County and partner agency Communities in Schools engaged Spanish-speaking parents through an ESL program aimed at breaking the poverty cycle while enabling students’ families to get involved with a child’s education at school. This Communities in Schools program was supported in the 2011-2012 school year by a Texas Education Agency 21st-Century Community Learning Center grant.

NATIONAL ASSOCIATION OF LETTER CARRIERS FOOD DRIVE

Each year for over two decades, United Way of Denton County has partnered with the National Association of Letter Carriers to conduct the Denton County arm of their “Stamp Out Hunger” program. On May 12th, community volunteers helped Denton’s mail carriers collect a record breaking 27,065 pounds of food to be given to those in need through the Denton Community Food Center.

COMMUNITY SERVICES DIRECTORY

The Community Services Directory provides a comprehensive listing of available health and human services agencies in Denton County, including contact information, hours of operation, service area, and a list of service provided by each agency. In 2011, United Way of Denton County’s Community Services Directory was sponsored by the Denton Benefit League.

INFORMATION & REFERRAL HELPLINE AND 2-1-1

United Way of Denton County operates a local helpline providing Denton County residents a place to turn for health and human services needs. Calls are answered by trained information specialists who can assess each caller’s needs and refer them to an appropriate agency for assistance. After hours, UWDC partners with the state-wide 2-1-1 toll-free hotline connecting people to services in their community.

LEADERS ON LOAN

Leaders on Loan is a leadership training program that not only benefits the mission of United Way of Denton County, but has a significant impact on each participant’s professional growth. Through workshops, team work, and group projects, participants gain a working knowledge of United Way of Denton County, the needs in our community and the work being done by our partner agencies and Community Impact initiatives. Individuals sharpen their communication, presentation, and interpersonal skills and are able to identify their unique talents and strengths leading to greater professional and personal growth.
