HOW WE HELP

EDUCATE

We educate Veterans and their families about resources available. We not only let them know about immediate assistance options but also preventative options that are available.

CONNECT

We connect Veterans and their families to over 200 community resources in Denton County. Resources include financial assistance, physical and mental health resources, and more.

ADVOCATE

We work with local agencies to ensure our clients are receiving the best care. We also follow up with our clients to make sure their needs have been met.
