Independent Auditors' Report

To The Board of Directors
United Way of Denton County, Inc.
Denton, Texas

We have audited the accompanying financial statements of United Way of Denton County, Inc. (a nonprofit organization), which comprise the statement of financial position as of March 31, 2015 and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the March 31, 2015 financial statements referred to above present fairly, in all material respects, the financial position of United Way of Denton County, Inc. as of March 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Prior Period Financial Statements

The financial statements of United Way of Denton County, Inc. as of March 31, 2014, were audited by other auditors whose report dated June 12, 2014 expressed an unmodified opinion on those statements.

UNITED WAY OF DENTON COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2015 and 2014

NOTE 1 – Nature of Activities and Summary of Significant Accounting Policies

The nature of activities and summary of significant accounting policies of United Way of Denton County, Inc. (the Organization) is presented to assist in understanding the Organization's financial statements. Management of the Organization is responsible for the accuracy and internal consistency of the preparation of the financial statements and notes contained in this annual report.

Nature of Activities – The United Way of Denton County, Inc. serves as a catalyst to facilitate the organized effort of the community to identify and address the existing and emerging human needs of its people. The Organization is supported primarily through donor contributions.

Basis of Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Financial statement presented follows the requirements of FASB ASC 958-210, *Not-For-Profit Entities-Balance Sheet*, and FASB ASC 958-225, *Not-For-Profit Entities-Income Statement*. Under those provisions, net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Unrestricted net assets - Net assets are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets are subject to donor-imposed stipulations that will be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. At March 31, 2015 and 2014 the Organizations did not have any permanently restricted net assets.

Cash and Cash Equivalents – Cash and cash equivalents consist of cash held in checking and money market accounts and certificates of deposit with maturities of twelve months or less when purchased. All certificates of deposit included in cash and cash equivalents are reported at cost, which approximates fair value.

Support and Promises to Give – Annual campaigns are conducted to raise support for allocation to participating agencies in the current and subsequent year. Unconditional promises to give that are expected to be collected within one year are recognized as revenue when the promise to give is made, in accordance with GAAP. All support is considered available for unrestricted use or temporarily restricted due to time restrictions, unless specifically restricted by the donor. Promises to give are recorded as received, and allowances are provided for amounts estimated as uncollectable. The allowance for uncollectible pledges is established by the United Way Management based on past collection experience and current economic conditions.

UNITED WAY OF DENTON COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2015 and 2014

NOTE 1 – Nature of Activities and Summary of Significant Accounting Policies - Continued

Donor restricted pledges are not recognized as revenue as the Organization acts only as an intermediary between the donor and the ultimate beneficiary as required by FASB ASC 958-605, Not-For-Profit Entities-Revenue Recognition. The SECC campaign and all specific donor designated donations fall under this designation.

Contributions – The Organization's success in conducting its mission is highly dependent on attracting committed volunteers. A substantial number of volunteers have donated significant amounts of their time in the Organization's management and fund raising campaigns during the year; however, these donated services are not reflected in the financial statements since the services do not require specialized skills. Donated property and professional services are recorded at their estimated fair value as of the date of the donation.

Property and Equipment – Property and equipment are stated at cost, or if donated, the approximate fair value as of the date of the donation, less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets, which range from 3 to 10 years. Expenditures for the new construction, major renewals and replacements, and equipment are capitalized.

Functional Expenses – The Organization allocates its expenses on a functional basis among its program and supporting services. Expenses that can be identified with a specific program or support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated on estimates made by the Organization's management.

Income Taxes – The Organization is a not-for-profit corporation and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and from Texas franchise and sales and use taxes. In addition, contributions to the Organization qualify for the charitable contribution deduction under IRC Section 170(b)(1)(A). United Way of Denton County, Inc. has been classified as an organization that is not a private foundation under IRC Section 509(a)(2).

The Organization applies the provisions of FASB ASC 74, *Income Taxes* related to the accounting for uncertainty in income taxes, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. This standard also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. For the years ended March 31, 2015 and 2014, the organization does not believe it currently holds any uncertain tax positions, therefore no recognition of uncertain tax positions is reflected in the financial statements. There was no unrelated business income for the years ended March 31, 2015 and 2014, and as a result, there was no income tax liability.

NOTE 4 – Contributions – Donated Services and Materials

A substantial number of unpaid volunteers have made significant contributions of their time to the Organization's activities during the years. The value of this contributed time is not reflected in these statements. The contributions of services are recognized only if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Materials and other assets received as donations are reflected in the accompanying financial statements at their fair values on the date of receipt and are described as in-kind donations. In-kind donations decreased from \$46,481 for year ended March 31, 2014 to \$36,366 for the year ended March 31, 2015.
