PACESETTER AWARDS & EMPLOYEE GIVING CAMPAIGNS

In addition to our Community Conversation, we honor our Pacesetter Companies who lead the community in giving and set an example for what a model United Way of Denton County Employee Giving Campaign looks like.

What's an employee giving campaign?

An Employee Giving Campaign enables your employees to give easily via payroll deduction, donating as little or as much as they want from each paycheck. As an employer, you can take pride in knowing your workforce's donation is an investment for a better Denton County community. Your employees organize and implement special projects as teams of volunteers, lending strength and talents, as well as payroll deductions, to improve and transform lives in Denton County.
