

# Denton Inclement Weather Resources - Summer 2023

For those living without a cool, dry, or safe place to escape extreme weather, there are facilities and services available in the Denton community. Information on community service providers, including emergency shelters, that may expand services and hours during inclement weather is provided here. A listing of City facilities that are air-conditioned with public access to restrooms, water fountains, and sitting areas during normal operating hours is also provided.

## Community Service Providers

When inclement weather conditions exist, these providers may open Daytime Cooling Stations and implement extended shelter hours. Please call the provider to confirm hours and services.
